

DON'T BE LEFT IN THE DARK

Truck-Mounted Telescopic Light Poles

Delson Products
TOOL MANAGEMENT SYSTEMS

Over 30 Years of Custom Craftsmanship.

Since 1992 Delson Products has established itself as a leader in high-quality, durable tool management systems. Their products – including workbenches, workstations and pit carts – are not only loaded with style, but also built to withstand rigorous use of busy shops, making them the preferred choice across various industries.

Leveraging their extensive fabrication expertise, Delson Products expanded into manufacturing telescopic light poles designed for service trucks operating in harsh environments. From heavy construction and utility companies, to off-road desert racing, these heavy-duty, customizable poles provide exceptional illumination for nighttime operations, ensuring efficiency, safety and reliability. This innovation reflects Delson's commitment to quality and adaptability, meeting the evolving needs of their customers.

Versatile. Reliable. Delson Tough.

**Light head pivots and rotates
for greater adjustment**

**Machined aluminum collar
for easy replacement**

Poles telescopes from 4ft to 8 ft

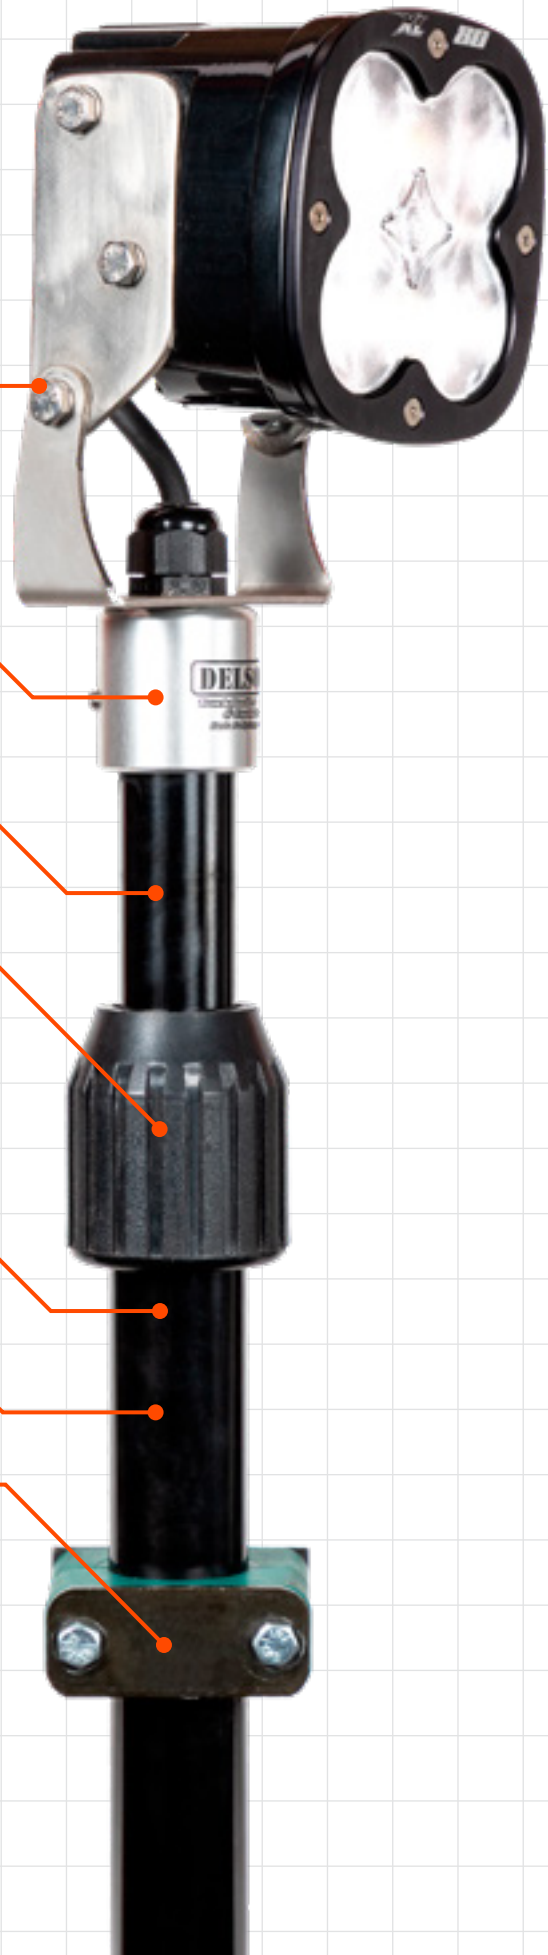

**Unique twist type collar offers
quick and easy extending**

**Internal bump-stop for
over-extension prevention**

**Powder coated steel tubing
for durability**

**Heavy duty tubing clamps make it
easy to install and adjust**

Available in 12 volt DC

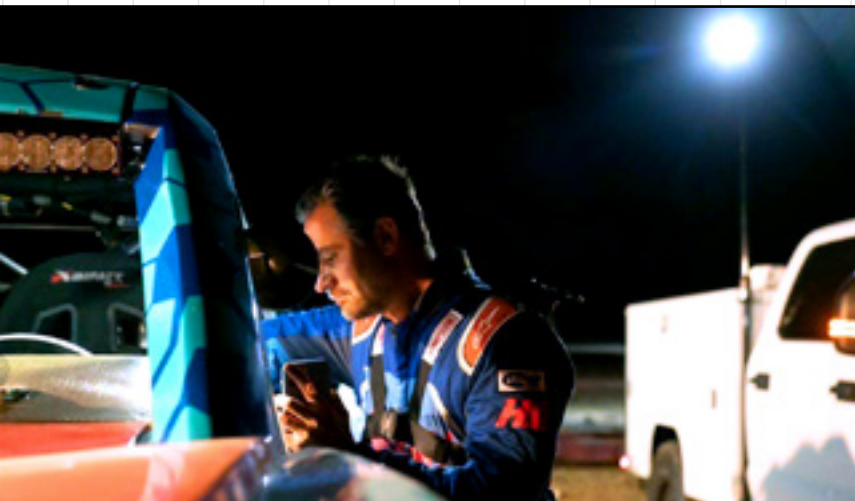

DP-12-45LED

Telescoping Light Pole

- Provides 4420 lumens of light across up to 55 meters.
- Steel telescopic poles for durability
- Available in 30" & 48" Sizes
